Please note the following:

- Regular Training/Rehearsals take place every Wed evening from 1900 - 2200 (7pm - 10pm) Sept to Jun, with a three (3) week break in December/January. Unless otherwise directed, all members are expected to attend **all** training activities.
- Military members who fail to attend a minimum of one in three consecutive training events (eg rehearsals) may be classified as "Non-effective" and subjected to administrative action, possibly leading to release.
- The band performs year round, with most engagements occurring on Friday evenings, Saturday evenings and weekend days. The occasional daytrip also arises. We avoid booking engagements during the last two to three weeks of July.

Given this, briefly describe any potential conflicts (ie work; school; family obligations; etc) that might preclude you from maximum attendance at rehearsals and engagements:
